36th Pain Foundation day celebrated

The National society of study of pain ,Nagpur city branch celebrated the 36th Pain foundation day on 9th July 2020. A webinar on chronic pain, "Pain basics" was held where delegates participated in large number. President Dr.C.S.Cham welcomed the gathering and congratulated all pain physician for their excellent work in chronic pain management. He informed the gathering that the executive team had decided to continue with the tradition of corona era by conducting a series of webinars, once every month. Dr.Cham coaxed everyone to continue with the good work of providing pain relief and research.

The National Pain society was formed on 9th of July, 1984 by a group of professionals with a motto of providing pain relief and conducting research. So this day is celebrated as the pain foundation day. The pain society is doing excellent work in providing pain relief to a wide variety of patients suffering from migraine, low back pain, neck pain, facial pains, pain of peripheral vascular disease, buerger's disease, and cancer pain. The treatment comprises of medicines, physiotherapy, nerve blocks and advanced interventions like radiofrequency ablation ,cooled RF and spinal cord stimulation.

Dr.B.M.Rajurkar director of Getwell hospital chaired the session. The lectures comprised of 'Anatomy and physiology of pain pathways' which was delivered by Dr.Umesh Ramtani ,Ass Prof. in Anaesthesia and Pain, IGGMC and another one on 'Approach to a pain patient-history taking and examination' which was delivered by Dr.Priya Sadavarte, Pain consultant at Dr.Priya's pain clinic and past Ass.Prof at NKPSIMS. The lectures were very informative and well presented.

The webinar was attended by senior pain physicians like Dr.Anjali Kolhe, Dr.Sunita Lawange, Dr.Saurabh Barde, President of ISA Nagpur, and senior anaesthesiologist like Dr.Pratibha Deshmukh, Dr.Shubdha Deshmukh, Dr.Charuta Gadkari, Dr.Sheetal Dalal, Dr.Sarita Joglekar, Dr.Archana Deshpande, Dr.Archana Munishwar, Dr.Devyani Deshpande, Dr.Hemlata Sherke and many post graduate students.

The webinar was appreciated by all and was a grand success. Hon Secretary Dr.Kiran Vyawahare proposed the official vote of thanks.
